

# Aerial BOARDWALK

DLINZA FOREST ESHOWE

## Experience . . .

*the unique Aerial Boardwalk in the 250 ha indigenous Dlinza Forest. Walk 125 m along a wooden walkway 10 m high, in the forest canopy, then climb to the 20 m high observation platform with panoramic views overlooking magnificent forest giants.*

- 65 Bird species including Spotted Ground Thrush, Eastern Bronze-naped Pigeon and Narina Trogon
- 80 Butterfly species
- Variety of animals including minute Dlinza Forest pinwheel snail, bush pig and blue duiker.
- Two forest trails, Impunzi and Unkonka, leading through tangled orchid-clad vines where King Shaka once walked in days gone by.
- Visitor Centre with curios, refreshment kiosk, environmental education displays and picnic sites.

The Aerial Boardwalk is wheelchair-friendly up to the observation platform.
